

TH TASS & HAMJIT

CORPORATE PROFILE

www.tasshamjit.com

ABOUT US

We are a multi-disciplinary consulting firm specialised in finance, corporate and technology advisory dedicated in serving our clients as their most trusted business advisors. We have presence in 7 countries and a client base in 15+ countries.

Our areas of expertise are:

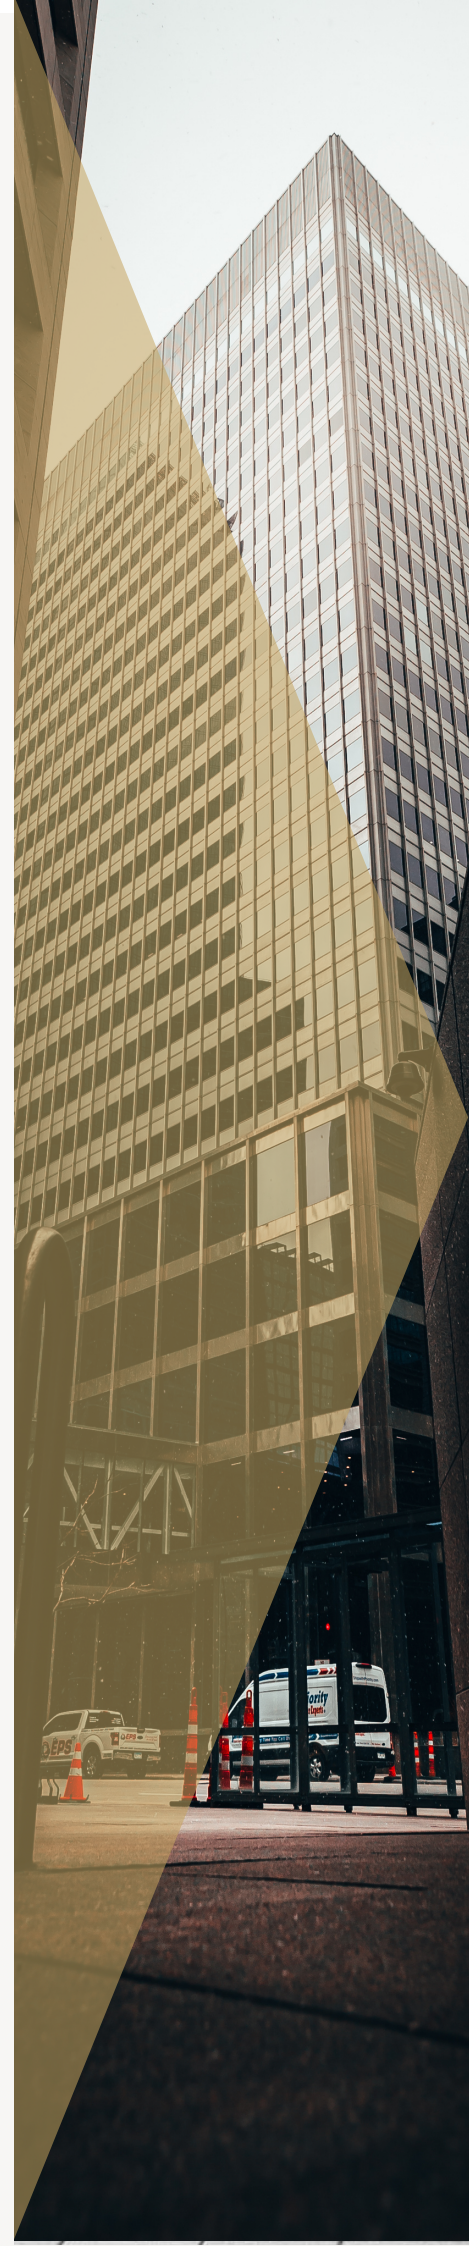

- Advisory
- Assurance & Tax
- Corporate Affairs
- Technology
- Bookkeeping
- Outsourcing
- Training & Academics

WHY US?

We break the conventional relationship formula between a consultant and client by becoming a part of the business and through developing trust, confidence, and professionalism.

We understand our client's root needs and find solutions through proactive and technology based approaches and ensure the client is made aware of our approaches and methodologies.

We are the one stop shop for all the business and financial management worries. We partner in our client's growth to be the "One-Firm" service wise and geographically so that they can focus on critical matters easily.

WHAT WE DO!

ADVISORY & CONSULTANCY

Strategic decision making and operational excellence are pivotal for sustained business growth. We are your trusted partner in achieving business objectives through our comprehensive advisory and consultancy services. Our team of seasoned professionals brings a wealth of experience, strategic insight, and a commitment to excellence to every engagement, ensuring that your organization is well-positioned for success.

- Remote Assistance to Audit Firms
- Services Outsourcing
- Full Department Outsourcing
- Onsite Staff Placement
- Turnkey Project for Setting up offshore facilities.

TRAINING & ACADEMICS

We highly endorse the pivotal role that training plays in shaping successful individuals and organizations through the continuous pursuit of knowledge. Our training services are carefully crafted to upskill the workforce providing them with the knowledge, and expertise needed to thrive in today's dynamic world.

- Data Analytics Workshops
- Sales Training
- Corporate Training
- Finance & Accounts Workshops
- Tax Workshops

THAT TASS & HAMJIT ADVANCED TECHNOLOGY

tasshamjit.ai

In the ever-evolving landscape of financial & corporate consulting, staying ahead of the curve isn't just an option; it's a necessity. At Tass & Hamjit, we've always prided ourselves on being constant at technological adoptions and innovations. Our journey with Artificial Intelligence (AI) is a testament to this commitment.

We believe that AI is not about replacing the human element; it's about augmenting our capabilities, enriching our insights, and enhancing the value we deliver to our clients

OUR TECHNOLOGY ENVIRONMENT

THAT ONE

Single Cloud Solution for CRM, HRMS, F&A and Project Management enabling seamless transactions on the go across our offices.

i-DBMS

Interactive Data Base Management System that enables Knowledge sharing and intelligence access at the right time.

AUTOMATION

Many repetitive and daily tasks are automated using python, MS Power apps and other tools to help our team focus on priority matters.

FIN+TECH

The unique proposition we have introduced is the pooling of Finance and Technology expertise for better solutions.

THAT TASS & HAMJIT ADVANCED TECHNOLOGY

TECHNOLOGY SERVICES

We envision a future where technology becomes a seamless enabler, propelling businesses to new heights. We understand that each organization is unique, and our consultancy services are cautiously designed to align with your distinct goals and aspirations. We are dedicated to propelling your enterprise forward through innovative and customized inputs in adopting technology solutions.
